

Friday 7th October 2022

Harvest Service

Thank you for all of the food donations for Exmouth Food Bank. The children sang and performed brilliantly and really captured the essence of Harvest – generosity and giving. A big thank you to Rev Martin for leading the service.

Cross Country

Some children from Heron Class have been selected to take part in the Cross-Country event at Bicton on Wednesday after school. We wish them every success in their races. Specific details are contained in a letter that was sent home.

Lunches

Please ensure that lunches are booked in advance via ParentPay. We are unable to accept choices on the day and if children do not have lunch, we will contact parents to bring in a packed lunch. Thank you for your support with this.

Parents Meetings

On Wednesday and Thursday next week it is Parents Meetings. You can book an appointment through eSchools or via the school office.

Data Collection

Thank you to the parents who have submitted their data collection sheets. It is parent's responsibility to update the school if telephone numbers change or medical information needs to be updated.

Flu Vaccinations

All parents will have received a link to book their child to have a Flu Vaccination. This will take place on Wednesday in both schools.

Healthy Snacks

Please can parents send their child in with fruit, bread sticks or chopped up vegetables for their snack. We are seeing a lot of chocolate bars and crisps. Thank you.

Uniform

At this time of year children are taking their jumpers and cardigans on and off due to the lowering temperatures. However, we already have a large amount of lost property in school. We are willing to help look for uniform, but it must be named.

Have a great weekend!
