As this term comes to an end I would like to take this opportunity to tell you how well the children have behaved, adapted to the changes and worked hard AND kept a smile on their face all the way through this term. They are all a real asset to the school. The staff have worked tirelessly to ensure the children get a great teaching and learning experience but also in trying to keep school as 'normal' as possible. The Nativity captured the true heart and soul of what Drakes' and Otterton Schools are about. We would like to wish all of our families a very Merry Christmas and Happy New Year.
