

Intent

We believe that all children have the right to become unique and ambitious writers. We provide all our children with a secure foundation of writing for a purpose, to empower them to become writers who are equipped to use their skills confidently and creatively in opportunities presented to them now and in the future.

Our intentions are that writers in the Raleigh Hub will:

- Become motivated, resilient, and resourceful writers.
- Develop a strong thread of individual creativity in their writing.
- Understand writing for a purpose and audience.
- Have a secure skill set in spelling, punctuation, and grammar.
- Engage in a wide range of experiences that initiate discussion, allowing children to develop their own ideas and opinions in their writing.
- Have opportunities to explore and use a rich and varied bank of vocabulary.
- Use a cursive script designed to promote fluent and neat writing.
