The plans for next term have already begun and the term is shaping up to be an exciting one! We have parent's meetings, Y6 residential (guidance permitting), Sports Day, Community Sports Day, trips out in our local area and an end of year service and maybe a production!

Thank you for your continued support of the school and I hope you all have a fantastic Easter break and the sun shines for us all.

## End of Term

We will break up for Easter on Wednesday 31st March and will finish at 2pm. We return to school on Monday 19th April.

## School Photographs

This year's school photographs will be taken in school on Tuesday (30th March). These will be individual photographs for the whole school and year groups for Reception and Year 6.

## After School Club

We will be running an After School Club starting after Easter on a Tuesday, Wednesday and Thursday afternoon from 3:00pm to 5:00pm. This will be run by Miss Katrina Horth. The cost for After School Club will be £7:50 (£7:00 for siblings) per session. Please email the office to book.

## KS1 Sports Club

Mr Luxa will be running a Key Stage 1 Multi Sports Club after Easter, every Monday until May Half term with Key Stage 2 Multi Sports from after half term. There will be a £3 per week charge for this club. To book your child a place, please fill out the form in the letter that was sent out this week.

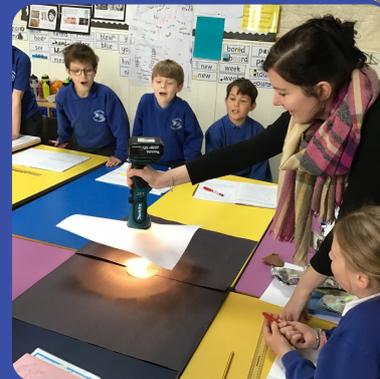

## Early Morning Club

From after Easter the price of Early Morning Club will increase to £3.50 (£3.00 for siblings), this includes all activities, a snack and a drink. Please email the office to book.

## Guitar and Ukulele lessons

Kara our guitar teacher is offering 50% off first lessons. If your child would like to take part in guitar or ukulele lessons please contact Kara directly on [karajade273@gmail.com](mailto:karajade273@gmail.com)

The children in KS2 have been enjoying getting outside this week and learning the games that our Year 6's are then leading at playtime and lunchtimes.

The children in Dragonflies class have enjoyed science week by learning all about light. Here they are testing reflective materials.

For Otters Class this week it has been a week about exploring capacity using a variety of containers and substances.
